CUVÉE KATHARINA
– Tradition –

Our two Sekts "Cuvée Katharina" and "Cuvée Marie-Luise" are the calling cards of our Sekt estate. Cuvée Katharina stands for precision, clarity and tension: a pure, racy Sekt that deliberately does without dosage to emphasise its unadulterated character. The grapes come from our vineyards around Flörsheim-Dalsheim, grown on the typical terra fusca, loam and limestone soils. These give it its distinctive minerality and salty freshness. On the nose, notes of grapefruit, wild berries, fine brioche and a gentle sea breeze unfold. A Sekt with expression, structure and precision: uncompromisingly clear and at the same time of great elegance.

VINTAGE - 2021 -
A cold start to the year and a changeable spring delayed the growing season. After late budbreak and a wet early summer, the vines developed vigorously in summery temperatures. The severe storms in July spared our vineyards, but caused the devastating floods in the Ahr valley. The late harvest called for rigorous selection in the vineyard and later in the cellar. Small yields, crisp berries and lively acidity formed the ideal basis for expressive, elegant Sekts.
