CUVÉE KATHARINA
– Tradition –

Our two Sekts “Cuvée Katharina” and “Cuvée Marie-Luise” are the calling cards of our Sekt estate. Cuvée Katharina stands for precision, clarity and tension: a pure, racy Sekt that deliberately does without dosage to emphasise its unadulterated character. The grapes come from our vineyards around Flörsheim-Dalsheim, grown on the typical terra fusca, loam and limestone soils. These give it its distinctive minerality and salty freshness. On the nose, notes of grapefruit, wild berries, fine brioche and a gentle sea breeze unfold. A Sekt with expression, structure and precision: uncompromisingly clear and at the same time of great elegance.

VINTAGE - 2020 -
A mild winter with plenty of rainfall opened the year. Spring was warm and dry; budbreak came early, in mid-April, and flowering as early as the end of May. The dry summer that followed brought a natural reduction in yields. Rain and cool nights in late summer slowed ripening and ensured freshness and balance. The harvest delivered healthy, loose-berried grapes with firm skins: the basis for outstanding, clear and expressive musts.
