CUVÉE MARIE-LUISE
– Tradition –

Our two Sekts “Cuvée Katharina” and “Cuvée Marie-Luise” are the calling cards of our Sekt estate. Cuvée Marie-Luise is a particularly elegant Sekt, named after the first daughter of the family. The grapes come from our vineyards around Flörsheim-Dalsheim, grown on the characteristic terra fusca and limestone soils.
These soils give the cuvée its fine minerality and lively structure. On the nose, a delicate interplay of pear and subtle citrus notes unfolds, accompanied by a hint of red berries. On the palate it is precise and elegant, with harmonious fruit, invigorating freshness and a finely creamy mousse. The long, mineral finish underlines the finesse and balance of this Sekt: the unmistakable signature of our house.

VINTAGE - 2021 -
A cold start to the year and a changeable spring delayed the growing season. After late budbreak and a wet early summer, the vines developed vigorously in summery temperatures. The severe storms in July spared our vineyards, but caused the devastating floods in the Ahr valley. The late harvest called for rigorous selection in the vineyard and later in the cellar. Small yields, crisp berries and lively acidity formed the ideal basis for expressive, elegant Sekts.
