RIESLING

– Tradition –

Riesling is regarded as the heart of German viticulture and a symbol of our long wine tradition. Our standards for this Riesling Sekt are correspondingly high. On the nose, delicate fruit aromas of white vineyard peach, lime and green apple unfold. Despite 36 months of ageing on the lees, it retains remarkable freshness. On the palate, citrus notes of pomelo and apricot appear, accompanied by subtle hints of candied orange zest. The Sekt is clear, juicy and precise, with lively, fresh acidity, elegant creaminess and fine minerality. The fine mousse underlines its pure vibrancy. An ideal aperitif and at the same time a versatile companion at the table, in particular with tempura prawns or sushi.

VINTAGE - 2021 -
A capricious winter, alternating between mild weather and icy cold, marked the start of the year. Budbreak did not come until early May. After a warm April, May brought heavy rainfall, and flowering was delayed until mid-June. The summer was mixed and called for intensive canopy work, which paid off: small, healthy grapes with structure and tension. The harvest began in mid-September, marked by slowly rising must weights and crisp berries. The result is crystal-clear musts with vibrant acidity, fine texture and depth: a vintage full of precision and freshness.
