BLANC DE BLANCS
Dalsheim Bürgel
– RÉSERVE –

Our second single-vineyard Sekt impresses with its finesse and elegance and convinces with its depth. We only harvest and vinify single-vineyard Sekts separately in the very best years, as they require perfect conditions in the individual sites. This Blanc de Blancs shows aromas of green apple, ripe pear and quince, paired with a remarkable freshness. Slightly bitter notes are reminiscent of grapefruit zest. As focused as it presents itself on the palate with its fine mousse, its finish lingers just as long.

TERROIR
The VDP.Große Lage Dalsheimer Bürgel is one of our most important sites for Sekt. The topsoil consists of limestone brown loam (terra fusca), otherwise found only on ancient land surfaces far from active erosion. Our Pinot Blanc vineyard lies at 260 metres above sea level, and the vines are now almost 40 years old.

VINIFICATION
78% stainless steel, 22% barrique | unfiltered | MLF | hand harvest | whole bunch pressing

VINTAGE - 2016 -
2016 was not an easy year, but one that thrilled us with base wines full of character and clear definition. The conditions in autumn balanced out the challenges of spring – resulting in a vintage that leaves little to be desired in terms of class and elegance. For us, it's a year with edges, complexity, and great promise for the future.
