ROSÉ

– RÉSERVE –

Rosé holds a special place in our hearts! In the glass, our Rosé sparkling wine shines in a delicate pale pink. Its bouquet reveals aromas of red summer berries, rhubarb, and pink grapefruit. On the palate, our Rosé is nuanced and lively, displaying a fine, elegant mousse and a ripe acidity, subtly balanced by a gentle sweetness that supports the fruit. The taste is juicy and fresh, with notes of blood orange and apricot. On the finish, it shows delicate yeasty nuances, gains in volume, and leaves a long, lingering aftertaste. For us, our Rosé is a true all-rounder: equally suited as an aperitif or as a companion to food.

Vintage - 2016 -
2016 was not an easy year, but one that thrilled us with base wines full of character and clear definition. The conditions in autumn balanced out the challenges of spring – resulting in a vintage that leaves little to be desired in terms of class and elegance. For us, it's a year with edges, complexity, and great promise for the future.
